Fishing and Boating Services
Commercial Yellow Perch Season Modification — Effective 12/1/19

The Secretary of Maryland Department of Natural Resources pursuant to Code of Maryland Regulations 08.02.21.04B announces modifications to the commercial yellow perch season. Effective at 12:01 a.m. December 1, 2019 the commercial season for harvesting yellow perch is December 1, 2019 through March 31, 2020, dates inclusive. The season will be closed for a fishing area when the annual commercial target harvest has been met for that area.

All other rules remain the same.

Jeannie Haddaway-Riccio
Secretary of Natural Resources
